

Hard working, problem solving, creative 2D & 3D animator, editor. Fast learner, team leader, rolls with the punches. Loves to tell the story with dynamic visuals.

Freelance 2D and 3D Animator and Editor

June 2016-Present

Current freelance clients include, Commscope, Rustoluem and Calabash Animation. Responsibilities include completing Maya, After Effects, Premiere, and Cinema4D projects.

Tribune Publishing

November 2014-June 2016

2D, 3D Animator, Editor, Videographer

Worked on commercials, and corporate videos for Chicago Tribune, Chicago Magazine, Hoy, Red Eye, and Tower Events Group as 2d and 3d animator, editor and videographer.

Responsibilities included completing After Effects, Premiere and Maya projects.

The Filmworkers Club Senior 3D Animator

February 1999-June 2014

Worked over 15 years on countless national and regional television campaigns for multiple major agencies. Collaborated creatively, and technically with teams of animators, creative directors, storyboard artists, editors, composers, and colorists. Never missed a deadline. Several of my animations were on the Super Bowl and many others have played as theatrical commercials. Accounts included State Farm, Anheuser Busch, Capital One, Miller, Skittles, Illinois Lottery, Fiat, Allstate Toys R Us, and Belk.

Responsibilities included completing Maya, After Effects, Massive, and Boujou projects.

Sinnott and Associates / Essential Pictures

Worked on a variety of projects including 3d, 2d cell and stop motion animation. Accounts included Captain Crunch, United Airlines and Cooper Tires.

Responsibilities included completing Wavefront, Maya, After Effects, and cell animation projects.

Goldscholl Design, Ritter Waxberg, Kinetics and Telemation

Worked on a variety of staff and freelance jobs that included commercial and corporate accounts. Clients included WGN, General Motors and Motorola.

Responsibilities included completing cell animation projects.
